Simulation Exercise - July 2017

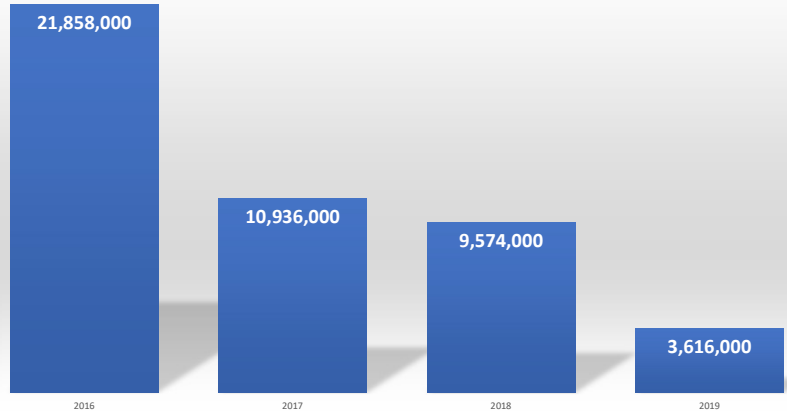

Transition plan expected by Q4 2017

Below is a summary of South Sudan's polio programme's resources and the contributions made by the GPEI to this and other health initiatives in the country:

Page 1: Overview of the GPEI funding rampdown for DRC from 2016 to 2019, and a summary of time spent by polio funded staff on polio and other health priorities

Page 2: A summary of all GPEI funded assets in the country supporting polio programme activities, including human resources and physical assets
