## DELIVERING ON THE PROMISE OF A POLIO-FREE WORLD

*Join us on 10 June for the launch of the Global Polio Eradication Initiative's new strategy.*

At this event, you'll have the chance to:

Hear firsthand from a polio vaccinator in Pakistan about her work engaging with communities to better meet their health needs

Learn about how the polio program has supported the COVID-19 response around the world

Get an inside look at the development and deployment of an exciting new tool, the novel oral polio vaccine

**Moderated by: Dr. Ujala Nayyar**  
Surveillance Officer, WHO Pakistan

You'll also hear from leaders and experts who work every day to end polio. Featured speakers include government stakeholders in Afghanistan, Pakistan and other polio-affected countries, as well as leaders from WHO, UNICEF, Gavi, the Vaccine Alliance, US Centers for Disease Control and Prevention, Rotary International and the Bill & Melinda Gates Foundation.

*Please note that this event will be English-only. Following the conclusion of the event, a recording will be made available in other languages.*
