¹ The full annual US appropriation is reflected on this chart, however, in accordance with UN revenue recognition policy, from 2013 on, only the portion of the US appropriation which is directly attributed to the polio eradication activities implemented by WHO and UNICEF is reflected in the G7 section subtotal (and therefore also the overall total). The FY2019 Congressional allocation was US\$ 235 million. For FY20 Congress has appropriated US\$176 million for the polio eradication activities of the CDC and US\$ 61 million for USAID. Further information about activities supported by US funding for polio eradication can be found here (http://polioeradication.org/financing/donors/other-contributions/).

² The UK committed £400 million to polio eradication for the 2013-2019 period, including £30 million to Gavi, the Vaccine Alliance for IPV procurement. The UK also provided an additional £13.8 million for the 2013-2014 Horn of Africa and Middle East outbreaks. In November 2019, the UK pledged £400 million for 2020-2024 and released £70 million in 2020.

³ The 2009 contribution from Germany included €52 million to the Government of India (combination of a loan/grant), which the Government used to strengthen cold chain and information systems. The 2012 contribution included €5 million for Tajikistan for rehabilitation of polio victims further to the 2010 polio outbreak. Although both contributions were outside of the GPEI budget, they were recognized in Germany's total contribution to the Initiative, but were not included in the total contributions line for G7 countries. Germany also provided over €13 million in 2013-2014 for the Middle East outbreak. Under its 2013-2017 pledge, Germany contributed a total of €105 million to the GPEI programs in Nigeria and Afghanistan; in 2016, it added Pakistan to the recipients of funding. Beyond the 2013-2018 pledge, Germany continued its support for Nigeria and Afghanistan.

⁴ Canada has pledged C\$ 190 million for 2021-2024. For 2017-2020, Canada committed Can\$ 100 million, including C\$ 30 million for polio eradication activities in Afghanistan through 2022. For 2013-2018, Canada provided C\$250 million, as well as an additional C\$ 3 million for the 2013-2014 Horn of Africa outbreak. Contributions include approximately US\$ 8.80 million for activities in Pakistan during 2013-2015 that were outside of the GPEI budget, but supported the overall goal of polio eradication. Additionally, Canada provided US\$ 9.8 million for activities in Nigeria and Ukraine for routine immunization activities outside of the GPEI budget.

⁵ Japan has been supporting polio activities through its annual grants over the past decades. Since 2011, Japan has supplemented its traditional grant financing with innovative financing in partnership with the Bill & Melinda Gates Foundation (BMGF). Under this 'loan conversion' model, Japan has provided development assistance loans to the governments of Pakistan (approximately US\$ 122 million) for vaccine and operations costs. If performance criteria are met, the BMGF will repay the loan credit to JICA on behalf of the Pakistan iand Nigerian government of pakistan using funding from the Government of Pakistan

⁶ Norway's figures reflect all confirmed funding to Gavi, the Vaccine Alliance (2013-2019) and funding to WHO (2013-2017).

⁷ Since 2011, His Highness Sheikh Mohamed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces, has committed US\$167 million towards polio eradication activities through the Global Polio Eradication Initiative (GPEI) and the UAE Pakistan Assistance Program and pledged an additional \$80M for the 2021-2024 period.

B The Bill & Melinda Gates Foundation has provided hallenge grants to Rotary International since 2008. Since that time, Rotary has contributed US\$1.525 billion of which US\$540 million was raised by Rotary and US\$985 million was provided to Rotary by the Bill & Melinda Gates Foundation. Rotary International has allocated the full amount of US\$1.525 billion to UNICEF and WHO through the GPEI.

The amounts shown for the Bill & Melinda Gates Foundation reflect direct funding to UNICEF, WHO, UNICEF and Gavi, the Vaccine Alliance as well as challenge funding to third parties including Rotary to leverage additional contributions. Thus, the leverage amounts provided to Rotary International are included in the totals for both Rotary and the Bill & Melinda Gates Foundation, but are not included in the subtotals nor in the bottom-line grant total. Rotary's contributions to the GPEI are through the Rotary Foundation.

9 For 2011. the Foundation also provided \$430,000 to improve the quality of life for children suffering from polio-related disabilities in Pakistan during the 2010 polio outbreak

¹⁰ The US Centers for Disease Control and Prevention, the Bill and Melinda Gates Foundation, Rotary International and the United Nations Foundation provided third-party funding to "buy down" World Bank loans to countries for the purchase of oral polio vaccine, in effect turning the loans into grants. The figures represent the Bank's portion only as contributions from Rotary International, Bill & Melinda Gates Foundation, US CDC and United Nations Foundation are counted in their own contribution lin

¹¹ Since this partnership with UNICEF began in 2012, easyJet has raised US\$5.66 million and helped to vaccinate over 25 million children. It is part of the Change for Good initiative which entails onboard collections for UNICEF causes. easyJet conducts two onboard collections per year for polio eradication – one on October 24 for World Polio Day and a second for the winter season from 1 December to 31 January.

¹² 'Other' includes contributions from AGFUND, British Airways, Chevron (Angola), Dangote Foundation, SCB/Brunei + Polio Points Initiative, Millennium Fund, Sanofi Pasteur, Saudi Arabian Red Crescent Society, Smith Kline Biologicals, Total E&P (Angola) and UNICEF National Committees (until 2011).

¹³ The Government of Pakistan has taken out three loans from the Islamic Development Bank worth: US\$ 227 million for 2013-2015, US\$ 100 million for 2019-2020. The Government of Pakistan allocates the funds to WHO & UNICEF to help implement the country's polio program. The principal amount of the loan will be repaid by the federal government, while the interest payments will be paid by the Bill & Melinda Gates Foundation, provided loan conditionalities are met. If they are not meet, then the Government will be responsible for the interest payments. The figures represent the annual contributions received by WHO and UNICEF by the government, The government, while the JCA Loan Conversion, are Pakistan's domestic contributions towards the GPEI budget for 2013-2019. As part of its increasing ownership of the program, the Government is also funding infrastructure, security support and direct provincial contributions estimated by the Government to be over US\$ 100 million from July 2012 to December 2018.

¹⁴ The UNICEF 2010 figure includes US\$20 million in Regular Resources for oral polio vaccine plus an additional US\$15.12 million in other UNICEF Resources. For 2011, US\$15 million in Regular Resources and US\$ 22.2 million in other UNICEF Resources. For 2012, US\$ 32.92 million in Regular Resources and US\$ 6.80 million in other UNICEF Resources. For 2013-2017, the total in Regular Resources is US\$ 61.73 million and US\$ 2.79 million in other UNICEF Resources (excludes easyJet and Latter Day Saints Charties, which are reflected separately)

¹⁵ IFFIm contribution does not include programme support costs

¹⁶ The impact of reduced Program Support Costs (PSC) is not included in the subtotal, starting in 2006 onwards. In 2012, \$2.4 million is from WHO core contributions vs reduced PSC and thus counted in the total.

17 In addition to direct budget support from the Ministry of Health, the Federal Government of Nigeria's total domestic contributions towards its program includes direct budget support, World Bank loans and JICA Loan Conversion funds

¹⁸ As of 2013, the Government of India contribution is no longer counted against the GPEI budget

¹⁹ The Total figures do not reflect any carry-forward from the previous year(s).

As of 15 June 2021
